To,

Professor R Mark Beattie,

Editor in Chief,

BMJ Open Gastroenterology

Revised submission: A novel multidisciplinary hub and spoke tertiary service for the management of severe acute pancreatitis

Dear Professor Beattie,

We are extremely grateful to BMJ Open Gastroenterology editorial board for giving us this opportunity to resubmit the revised manuscript.

I have made all the changes suggested by the reviewers. In addition, I have separately answered the comments by the reviewers.

Thanking you in anticipation

Kind regards
